

*I had an easy life. We used to have a healthy life. We enjoyed being young and didn't behave like grown-ups. Our parents taught us key values that have ruled our lives. We didn't care about fashion or brands and dressed simply. We were not bombarded with information. I didn't watch TV until I was 18. We just had one radio at home. Despite not having as many technological advances as children and youngsters have nowadays, we were very happy. When we were*

*Mi vida era una vida sin complicaciones, se disfrutaba de una vida muy sana, se vivía al máximo la etapa juvenil sin llegar a comportarse como un adulto mayor de edad. Los padres nos inculcaron valores que han regido siempre nuestro comportamiento. No se estaba pendiente de la moda ni de marcas, se vestía con mucha sencillez. No se estaba bombardeado de información. Yo vine a ver TV luego de los 18. Sólo disponíamos de un radio. Y a pesar de no disfrutar de tantos avances tecnológicos que hoy en día tienen los niños y jóvenes éramos muy felices. De niños se jugaba con cualquier cosa que nos representara comida, muñecas, carritos, animales, etc.*
