##### **Task:**

When we started our partnership "Culture and Arts: Bridges to Solidarity" (CABS), we looked forward to constructive meetings and exchanges with our European colleagues.

Then the plans changed because of the Covid-19 pandemic and we had to find new ways of cooperation. We had to be flexible, inventive and patient.

In this eBook we reflect on how Covid has influenced our project and our lives. The topic was processed in a creative workshop from three different perspectives:

- A. Draw comic in three frames: Covid has affected on .....
- B. Draw a self-portrait and Your personal feelings about the last years of covid.
- C. Did You have some dreams about CABS that did not come true yet? Could we keep dreaming  
and share these hopes for next projects? Please draw Your dreams about Bridges to Solidarity!

##### **Results:**

The results have been published in an eBook. Here is the link to see it:
